

Make Miracles Happen

The majority of requests that The Miracles of Mitch Foundation receives from pediatric cancer families in Minnesota are related to its Home Rescue Team program. This initiative assists these families in need with mortgage, rent, utility and property tax payments.

You can make a huge impact on these families by supporting the Home Rescue Team program.

For a limited time, your gift can make an even bigger impact! For every new donor supporting The Miracles of Mitch Foundation's Home Rescue Team between May 15 and July 31, 2010, The Richard M. Schulze Family Foundation will generously match that gift up to a total of \$10,000.

My Pledge to The Miracles of Mitch Foundation

In support of your challenge grant from The Richard M. Schulze Family Foundation for your Home Rescue Team program (the "Project"), I/we hereby give the tax-deductible sum of \$_____ with the understanding and expectation that it will be matched pursuant to the terms of the challenge grant, and that it will be used by you solely for the Project. Payment in form of _____ is enclosed/attached.
